PROFESSIONAL SUMMARY

BCA graduate and MCA aspirant with hands-on experience in Java full-stack development, specialising in scalable backend systems, secure payment workflows, and high-performance, data-driven applications. Proficient in Spring Boot, React, REST APIs, databases, and cloud technologies, with a strong focus on clean architecture, production-ready code, performance optimization, and system reliability.

EDUCATION

Hinduja College of Commerce & Economics	Sept 2022 – June 2025
Bachelor of Computer Applications (BCA)	GPA: 7.5

K. E. S. Shroff College of Arts & Commerce	Sept 2025 – Present
Master of Computer Applications (MCA)	

WORK EXPERIENCE

Seoulx Technologies	June 2025 – Nov 2025
Software Development Intern	

- Contributed to live enterprise applications including *Career Advance*.
- Developed backend APIs using Java, Node.js, and Spring Boot.
- Built responsive UI components using React and TypeScript.
- Integrated authentication, databases, and AWS-based deployments.
- Improved performance and resolved production-level bugs.

PROJECTS

Evenza — Full-Stack Event Management System	GitHub
--	--------

- Designed a scalable event booking platform with admin dashboards and role-based access.
- Implemented secure payment gateway integration (Razorpay) with refund handling.
- Optimised booking flow using Redis caching for fast seat availability checks.
- Deployed containerised services using Docker.
- **Tech:** Java, Spring Boot, React, TypeScript, MySQL, Redis, Docker

Corporate Digital Library (CDL)

GitHub Live Demo

- Built an enterprise document management system with role-based access control.
- Enabled fast document retrieval using Elasticsearch indexing and search queries.
- Integrated secure cloud storage with AWS S3 for large-scale document handling.
- Improved search performance and data organisation for enterprise usage.
- **Tech:** Node.js, Elasticsearch, React, MySQL, AWS S3, Docker

CERTIFICATIONS

- **Java Programming Certification** — [Link](#)
- **SQL Certification** — [Link](#)
- **Web Development Certification** — [Link](#)
- **Git Fundamentals Certification** — [Link](#)
- **Oracle Cloud Infrastructure 2025 Certified Foundations Associate** — [Link](#)
- **AWS Hackathon 2024** — [Certificate of Participation](#) — [Link](#)

TECHNICAL SKILLS

Languages: Java, JavaScript, TypeScript, Python, SQL, C, PHP (basic)

Frameworks: Spring Boot, React.js, TailwindCSS

Databases: MySQL, PostgreSQL, Firebase Firestore

Security: JWT, Firebase Auth, BCrypt, OTP

DevOps & Tools: Docker, Git, GitHub, Redis, AWS, Elasticsearch, Kibana, Kafka (basic), AWS
